

POSITION: Manager EB
LOCATION: Brussels

DESCRIPTION OF THE POSITION

Our client is looking for a Manager for the Insurance & Benefits Actuarial Services Department. The person will be in charge of the following tasks:

- Be responsible for actuarial valuations and international coordination of employee benefits under IFRS and US GAAP
- Assist our audit department by answering technical questions about IFRS or US GAAP standards for employee benefits and reviewing the level of technical provisions of IORPs (Institutions for Occupational Retirement Provision) based on the Belgian legislation
- Provide consulting advice to local as well as international clients, from both the private and public sector, about their employee benefits arrangements in collaboration with other departments such as Tax and Legal Services
- Work in close collaboration with our Deals department by providing them with technical advice to perform due diligence work relative to employee benefits
- Help develop our department and service offering

PROFILE

- You are a qualified actuary
- You have at least 5 years of experience as a Manager
- You have gained experience in a similar consulting role, with topics such as IAS19, ASC 715, Belgian Control law for IORP, ...
- You have an in-depth technical expertise, you are client-oriented and a team player
- Commercial skills are an asset
- You are fluent in French, Dutch and English
