

NEXYAN is specialized in Employee Benefit consulting. The company is based in Zaventem. We are a friendly team of about 18 actuaries/benefit consultants working together in a nice atmosphere.

NEXYAN is now looking for a pension administrator / pension calculator to join its team, who is willing to support the team in the management and administration of pension plans.

We can offer you a motivating environment within a group of experienced actuaries and benefit consultants.

You will learn more about the pension's world that is changing rapidly and acquire knowledge of both the pension fund and the group insurance market.

We offer you an attractive salary package and learning opportunities by participating in complex and interesting projects.

Your profile:

- Minimum 3 years experience in pension funds or group insurance management
- Willing to work in a small team, where teamwork is key to success
- Client-oriented
- Analytical and numerical skills
- Good organizational skills
- Accuracy is a necessary feature
- Good knowledge of Microsoft tools
- Good communication skills.
- Fluent in Dutch or French, good knowledge of English

If you are an enthusiastic person and recognize yourself in this profile do not hesitate to send your application to Karen Vande Sype [kvs@nexyan.be](mailto:kvs@nexyan.be).
