

Become an actuspeaker

actuvview is always looking for actuaries, experts and qualified individuals who are interested in contributing to the platforms content.

The program covers the full scope of actuarial topics – restrictions or specific topic specifications are therefore not defined. Interdisciplinary and scientific submissions are welcome, too.

If you are interested in becoming a speaker, please send your application with

- the title,
- a brief description of your presentation (abstract), and
- some personal information about you and your affiliation to contact@actuvview.com.

The actuvview team will get in touch with you to support you with the production of your online session.

For any questions regarding the platform, the registration process or the possibilities to contribute please don't hesitate to contact us at contact@actuvview.com.

actuvview is the first international streaming platform for actuarial media. It is regularly updated with digital actuarial content for the community – either broadcasted live from international actuarial events, provided as recorded sessions from our partners or produced as webcasts by individual experts.

As a member of a European actuarial association you have free access to all contents on actuvview.

Currently the program covers over 550 videos of different formats on the full scope of actuarial topics:

- Full program of the **European Congress of Actuaries 2019**
- All presentations of the **Asian Actuarial Conference 2019**
- Selected recordings of the **International Congress on Insurance: Mathematics and Economics 2019**
- All sessions presented by the IAA Sections ASTIN, IAAHS, IAALS and IACA as part of **IAA Section Colloquium 2019**
- two **CPD-Days of DGVFM** on Machine Learning and Occupational pensions
- **ICA/VICA 2018** archive
- And many more ...
